With a rich legacy dating back to the 1960s, Indian Paan Samrat (IPS) has its roots in the paan industry through our grandfathers' kiosks in the iconic locations of Bengaluru. Founded in 2022, IPS delivers authentic, premium-quality, tobacco-free, and spit-free paan to 5-star hotels, dining restaurants, clubs, and events. Committed to hygiene and quality, we address market challenges by using herbal and FSSAI-approved ingredients, ensuring the safety and satisfaction of our customers. Supported by a strong operational and marketing team, we customize our offerings to provide a personalized paan experience.
